- 12.2 General views expressed to you from time to time (whether orally or in writing) on economic climate, markets, investment strategies, trade ideas or investments are not to be viewed as Investment Advice. Similarly, any information and explanations related to the terms and conditions of a Transaction, Product or Service will not be considered Investment Advice or a recommendation to enter into such Transaction, Product or avail of such Service. Any information which you may receive from us will be given in good faith, but we do not warrant that it is accurate or complete, or as to its tax consequences, and we do not accept any responsibility for any Liabilities which you might suffer or incur in relying on such information. You acknowledge (as agent of your Underlying Client(s)) that you (as agent of your Underlying Client(s)) enter into any Transaction solely on the basis of your own judgment and have not relied on any information provided by Santander.
- 12.3 We will not review your or your Underlying Clients' investments at regular intervals or otherwise and this therefore remains your responsibility. Santander will not act for you or your Underlying Clients on a discretionary basis.
- 12.4 We will not provide or be responsible for the provision of any tax or legal advice in respect of your or your Underlying Clients' investments. Any legal, accounting, tax or other adviser retained by us shall be the legal, accounting, tax or other adviser to us alone. You shall have sole responsibility for selecting and retaining any legal, accounting, tax or other adviser that may advise you and for all expenses and fees incurred in connection therewith.
- 12.5 Where we execute Transactions in non-complex Products (as defined by MiFID II), we are not required to obtain information from you regarding your knowledge and experience in relation to the investment field relevant to that instrument, your financial situation or your investment objectives (collectively, Your Circumstances) so as to enable us to make an assessment as to the appropriateness of that instrument or Service provided or offered. You will not therefore benefit, in these circumstances, from the protections afforded under any conduct of business rules that could require us to assess the appropriateness of such instrument or Service for you (under Article 25 of the MiFID II Directive).
- 12.6 Where we execute Transactions in relation to complex Products (as defined by MiFID II) we will be required to obtain information from you, where relevant, regarding Your Circumstances, so as to enable us to make an

assessment as to whether that instrument or Service is appropriate for you. If, on the basis of the information that you have supplied to us in relation to Your Circumstances, we consider that dealing in the particular complex instrument is not appropriate, we will warn you of this. If you still wish for us to proceed on your behalf, we may do so at our reasonable discretion. If this is the case, you should note that these instruments may be unsuitable for you and you may be exposing yourself to risks that do not meet Your Circumstances and/or which you may not have the knowledge or experience to properly assess and/or control.

- 12.7 Where we have classified you as a professional client, pursuant to the Notice of Categorisation, we will assume that you have the necessary knowledge and experience in order to understand the risks involved in relation to the Product.

13. RESEARCH

- 13.1 Any Research Santander gives you (whether for you or on behalf of your Underlying Clients) is provided solely for information purposes and to enable you to make your own investment decisions (on behalf of your Underlying Clients) and is not otherwise to be relied upon by you or by your Underlying Clients. You should conduct your own investigation and analysis of any such information.
- 13.2 Neither our nor our Affiliated Companies' Research should be construed as a solicitation or an offer to buy or sell any Products in any jurisdiction and neither they do amount to Investment Advice.
- 13.3 The content of any Research published by us or our Affiliates is based on information that we believe to be reliable but we do not represent that it is accurate or complete. It should not be construed as a representation, recommendation or statement of fact (implied or otherwise).
- 13.4 No information (written or oral) received by you from us will constitute an assurance or a guarantee as to the expected outcome of any such Transaction. You should also be aware that market conditions and pricing may change between the time we provide you with information and the time you approach us with a view to entering into a Transaction.
- 13.5 Any Research provided to you (whether for you or on behalf of your Underlying Clients) by us (in any form including via the internet) are prepared from and based upon sources that Santander believes to be reliable but the accuracy of which cannot be guaranteed.
- 13.6 Whilst we will exercise due skill, care and diligence in the preparation of Research, Santander gives no representation, warranty or guarantee, express or implied, as to the accuracy, completeness or reliability of such information or as to the legal, regulatory or tax consequences of any Transaction effected on the basis of its Research. We are under no obligation to update or keep current the information contained in such document.
- 13.7 We accept no responsibility or liability whatsoever (to the fullest extent permitted by Applicable Rules) for any Research provided to you (whether for you or on behalf of your Underlying Clients) whether or not under these Terms, except insofar as, and then only to the extent, that Santander was negligent, wilfully misconducted itself or fraudulent, or failed to comply with any FCA Rules or the provisions of the FSMA.
- 13.8 Any opinions given by us in Research reflect Santander's judgement at the date given and are subject to change without notice. The opinion expressed in Santander's Research may differ or be contrary to opinions expressed by other business areas of Santander or by its Affiliated Companies as a result of using different assumptions and criteria.
- 13.9 We shall not be obliged to ensure that any Research provided to you (whether for you or on behalf of your Underlying Clients), or any information on which it is based, will be given to you (whether for you or on behalf of your Underlying Clients) before or at the same time as such is made available to any other person, including, without limitation, any Affiliated Companies or other clients.
- 13.10 Santander has established and implemented policies (which may be revised and updated from time to time) that prevent conflicts arising from own account Transactions in any investment, or related investment, which is the subject of any research publication issued by Santander until those clients for whom that research was principally intended have had a reasonable opportunity to act on it.
- 13.11 Research publications are issued by Santander for private circulation to eligible counterparties and professional clients and may not be reproduced, distributed or published by you or your Underlying Clients for any purpose, except with Santander's prior written permission.
- 13.12 If you are required or otherwise wish to pay for Research we will enter into a separate written agreement which shall set out the terms on which research is provided to you, including the charges payable by you for receiving such Research. The terms of such agreement shall be negotiated between the parties in good faith.

Section 4: Before we trade

14. REQUIRED INFORMATION

- 14.1 In order to provide certain Services to you we are required beforehand to obtain information from you, which may include financial and other information concerning yourself (and/or, where you are acting as agent for any Underlying Client, information on that other party or parties) as we from time to time may reasonably request or as we may be required to procure in accordance with Applicable Rules. Failure to provide such information when requested may result in us withdrawing the provision of Services either in relation to a particular Product or entirely. We shall not be liable for any Liabilities suffered or incurred by you as a result of any such decision made.
- 14.2 We may also, from time to time, require further information or actions from you in as to, amongst other things, your status in order for us to comply with our obligations in accordance with Applicable Rules. You agree and acknowledge that you will promptly provide us with any such information or take any such action that we may reasonably request in order for us to comply with Applicable Rules in our dealings with you.
- 14.3 You agree and acknowledge that you are responsible for keeping us informed about any change to the information that you provide to us in accordance with Clause 14.1.
- 14.4 We are required to provide certain information to you in good time before the provision of certain Services. Such information may be derived from third party sources. We cannot ensure the accuracy or reliability of such information and will have no duty or obligation to verify, correct, complete or update such information. We accept no Liabilities arising from any errors, inaccuracies, delays or omissions or actions taken in reliance thereon. We expressly disclaim all warranties, expressed or implied, as to the accuracy of any such third party information or as to the fitness of the information for any purpose.
- 14.5 Subject to Clause 14.6 below, we shall notify you of our costs and charges related to the provision of our Services and Financial Instruments in good time prior to the provision of such Service. We may change these at any time and will notify you of any such changes. Any such changes will not apply to Transactions executed prior to the time of the change.
- 14.6 Without prejudice to the obligations set out in MiFID II, where we have categorised you as an eligible counterparty or professional client pursuant to the Notice of Categorisation, you agree to a limited application of the detailed requirements on costs and charges in accordance with and where permitted by Article 50(1) (information on costs and associated charges) of the MIFID II Delegated Regulation 2017/565. In this circumstance and where relevant, we will not provide you with:

- (a) an illustration showing the cumulative effect of costs on return when providing a Service on an ex-ante or ex-post basis;
- (b) where any part of the total costs and charges is to be paid in or represents an amount of foreign currency, an indication of the currency involved, the applicable currency conversation rates and the arrangements for payment or other performance; or
- (c) costs and associated charges charged by other parties for their services where we have directed you to such other parties and all costs and charges associated with the manufacturing and managing of Financial Instruments, by such third party, where they are not a cost charged by us.

15. RISKS

We will assess whether a proposed Service is appropriate for you based on information supplied by you and other details that we have obtained about you where required by Applicable Rules. It is your responsibility to inform us in writing of any information which might reasonably indicate that this assessment should be changed.

- 15.1 When you make a decision to deal or undertake in any Product, Service or Transaction, you should consider the risks inherent in such Product, Service or Transaction, and in any strategies related thereto. Your assessment of risk should include a consideration of any of credit risk, market risk, liquidity risk, interest rate risk, foreign exchange risk, business, operational and insolvency risk, the risks of "over the counter" (as opposed to on-exchange) trading, in terms of issues such as the clearing house "guarantee", transparency of prices and ability to close out positions, contingent liability risk and regulatory and legal risk. You should also ensure that you have read any accompanying Product documentation, for example terms sheets, offering memoranda or prospectuses, for any further relevant risk disclosures.
- 15.2 The preceding paragraph does not constitute investment advice based on your personal circumstances, nor is it a recommendation to enter into any of the Services or transact in any Product. Where you are unclear as to the meaning of any of the above disclosures or warnings which we may present to you, (either verbally or in writing), you are strongly recommended to seek independent legal or financial advice.

Section 5: When we trade

16. TAPING AND RECORDING

We may record telephone conversations and other communications with you or any of your agents or Associated Persons with or without the use of an automatic tone warning device. Such records will be our sole property and held for the maximum amount of time permitted under Applicable Rules (which under MiFID II is five years, subject to any extension required by Applicable Rules). Subject to Applicable Rules, records may be made available to you on request, subject to any pre-disclosed administration charge set by us, and will be presented in the language used to provide the Service. Any requests should be made to santanderlondonbranch.compliance@gruposantander.com. You acknowledge and agree that we may use such recordings and transcripts for any purpose which we deem reasonably desirable including use as evidence. Our voice records will be accepted by you as conclusive evidence of your orders, instructions or conversations had with us. We may, if required to do so, also provide such recordings and transcripts to the UK Regulator, the Bank of Spain or other government authority in accordance with Applicable Rules.

17. YOUR INSTRUCTIONS

- 17.1 Unless otherwise agreed in accordance with the Supplemental Terms, we discourage you from using e-mail or other electronic messaging systems to communicate orders or trade requests. If we agree to the use of electronic messaging (e.g., e-mail, chats, instant messages, etc.) as the mode for you to communicate your orders or trade requests, any order or trade request sent to us by electronic messaging will not be considered to be received by us until our representative verifies the order or trade request details to you by phone or otherwise affirmatively acknowledges receipt of the order or trade request. We do not accept counterparty orders or trade requests sent via fax or voicemail systems. The need to employ manual operational processes to execute orders or trade requests transmitted by electronic messaging systems may result in an order or trade request so transmitted either not being filled or being filled at a much later time than when first received into our e-mail or other electronic messaging system. Subject to Applicable Rules, during the period between the electronic transmission of an order or trade request and the point at which it is verified and acknowledged, you will be exposed to the risk that your order or trade request may not be filled or executed (including where the market has moved in your favour) or may be filled or executed at a less favourable level because market conditions have changed in the interim.
- 17.2 You must ensure that any instructions given to us are clear and intelligible. If you do not provide such instructions promptly, clearly and in an intelligible form, we may, at our absolute discretion, ask you to confirm the instruction in writing, in such form as we may request, before we act on it; or take such other steps at your cost as we consider necessary or desirable for our own or your protection; or take no action on your instructions. We are not obliged to accept instructions to enter into a Transaction unless we are required to do so by Applicable Rules. If we decline to enter into a Transaction, we are not obliged to give a reason.
- 17.3 We may treat as genuine, and rely and act on any oral or written communication which we reasonably believe to have been given by you or any person authorised by you. Instructions will be acknowledged orally or in writing as appropriate.
- 17.4 No liability shall attach to us if an instruction which we have accepted and acted upon in good faith is subsequently discovered to have been given forged, falsified or amended without your authority.
- 17.5 You shall promptly give any instructions to us that we may require of you in respect of any Transaction or proposed Transaction. If you do not provide such instructions promptly, we may, in our absolute discretion, take such steps at your cost as we consider necessary or desirable for our own or your protection.
- 17.6 Where these Terms are addressed to more than one person any instruction, notice, demand, acknowledgement or request to be given by or to you under these Terms may be given by or to any one of you. Santander needs not enquire as to the authority of that person.
- 17.7 If you do not provide us with notice of your intention to exercise an option at the time stipulated by us, we may treat the option as abandoned by you and, if so, will notify you.
- 17.8 Once given, instructions are irrevocable and may only be withdrawn or amended with our consent. We can only cancel your instructions if we have not already acted upon them. If we believe that it is not reasonably practicable to act upon your instructions within what we believe to be a reasonable time, we may defer acting upon those instructions until it is, in our reasonable opinion, practicable to do so or we will notify you that we are refusing to act upon such instructions. We shall not be liable for any Liabilities suffered or incurred by you as a result of any such deferral or refusal.
- 17.9 We may refuse to follow your instructions if, in our opinion, acting on such instructions would be contrary to any Applicable Rules or when complying with your instructions would, in our opinion, be unreasonable in the circumstances. We will make all reasonable efforts to notify you promptly of such refusal, but shall not be obliged to provide reasons for such refusal, unless required in accordance with Applicable Rules, and we shall not be liable for any Liabilities suffered or incurred by you as a result of our refusal to act on your instruction or effect a Transaction.
- 17.10 We shall be under no obligation to transact any

investment business that is subject to any limitations and shall be under no obligation to observe any such limitations relating to you or your Underlying Clients unless and until the limitations have been set out and agreed by Santander in writing.

- 17.11 When we accept a dealing instruction from you, we will seek to execute it as soon as reasonably practicable in the circumstances. We shall not be responsible for any Liabilities incurred or suffered by you as a result of any delay or any change in market conditions before the Transaction is effected.
- 17.12 We reserve the right to terminate any trading arrangements with you at any time and are not obliged to accept any particular order or to agree to enter into a Transaction with you or carry out an instruction received from you. We may (but shall not be obliged to) require written confirmation before acting on oral instructions.

18. HOW YOUR ORDERS ARE HANDLED

- 18.1 Subject to Clause 18.4 below, all Transactions with or for you are subject to the terms and conditions of any intermediate, executing or clearing broker and any Applicable Rules.
- 18.2 Subject to Clause 18.6, when we execute or arrange Transactions on your behalf, Transactions and orders received by us may be executed by us or passed to any Affiliated Company or other intermediate executing or clearing broker for execution and/or clearing and settlement.
- 18.3 The Santander group includes companies which are engaged in investment business outside the United Kingdom. Unless you notify Santander to the contrary, it will be assumed that you (as agent of your Underlying Clients) are willing for Santander to introduce these Affiliated Companies to you to provide you (on behalf of your Underlying Clients) with dealing services in investments. Unless you have received separate terms from these Affiliated Companies then these Terms will also apply to the Services provided by the Affiliated Companies and any reference to Santander in these Terms shall be read to also include such Affiliated Companies. Santander is sending you these Terms on behalf of each of these Affiliated Companies (as well as on its own behalf) and is authorised to act on their behalf for all purposes relating to these Terms.
- 18.4 When executing orders on your behalf we will be free to choose (in our absolute discretion) whether to carry out any Transaction as principal or as agent, or partly as principal and partly as agent (in which case separate contract notes will be issued).
- 18.5 If we agree in writing to act as your agent you authorise us to deal either in our own name or in your name with a third party and you authorise us to do anything as agent on your behalf in accordance with or, as is in our opinion necessary or desirable, to fulfil your instructions.
- 18.6 Depending on your categorisation as a Best Execution

Client, execution of orders in Financial Instruments may be conducted in accordance with our order execution policy (as amended from time to time). For further details of the manner in which orders are handled, a copy of the order execution policy is available on <http://www.santanderpcb.co.uk/>. We will take all sufficient steps to obtain the best possible results for Best Execution Clients in accordance with and subject to Applicable Rules.

- 18.7 In cases where our order execution policy is applicable you acknowledge and agree that where you give us a specific instruction concerning any aspect of the execution of your order that this may prevent us from following the provisions of our order execution policy in respect of any matter covered by your instructions.
- 18.8 You instruct us not to make immediately public a client limit order in respect of shares admitted to trading on an EEA Trading Venue which is not immediately executed under prevailing market conditions, unless we decide in our absolute discretion that it is appropriate to do so.
- 18.9 You agree and consent that when we or our Associated Persons execute orders on your behalf, we may execute such orders outside of a Trading Venue (subject to Applicable Rules).
- 18.10 We may aggregate your order with orders of other clients or our own or of an Associated Person, and such aggregation may work on some occasions to your disadvantage.
- 18.11 You agree that where we enter into a number of Transactions over a period to fulfil a single order we shall be entitled to use a uniform price being the weighted average of the prices so obtained. You agree that we may complete the allocation of the investments under the order within five business days. For the avoidance of doubt, such allocation may be separate and distinct from any additional trade confirmation we are required to provide under Applicable Rules.
- 18.12 Subject to the pre-trade quotation obligations set out in MiFID II, if we act as a systematic internaliser in a particular Product, and we make available quotes to you in relation to such Product, we may limit the number of Transactions in that Product that we undertake with you (or, where applicable, your principal or principals) and/or the total number of Transactions we may enter into in aggregate with you on the basis of such published quote where it exceeds our internal risk limits or where the number and/or volume of orders sought by you and other clients considerably exceeds the norm.
- 18.13 Further terms of dealing for specific Products are included within the Supplemental Terms.

19. CONFLICTS OF INTEREST

- 19.1 In accordance with the FCA Rules, Santander has in place measures in order to avoid and prevent potential conflicts of interest as well as arrangements to identify and manage conflicts of interest which may arise between Santander and you, or between you and one or more

of our other clients and therefore ensure that risks of damage to your interests will be prevented. We have established and implemented a conflicts policy (which may be revised and updated from time to time) (the Conflicts Policy) pursuant to Applicable Rules, which sets out how we must seek to identify and manage all material conflicts of interest. A copy of the Conflicts Policy is available upon request.

19.2 We provide Services in a wide range of investment-related activities to clients and may have an interest, relationship or arrangement that is material in relation to any Transaction effected, Service provided or activity carried out with you or that could lead to a conflict of interest. We will not deliberately favour any person over you but will not be responsible for any Liabilities you incur which may result from such competition. We have robust policies in place which govern the management of conflicts of interest, treating customers fairly requirements and competition law, all of which are in accordance with Applicable Rules. We shall not be held responsible for any Liabilities you may incur as a result of our compliance with Applicable Rules.

19.3 Such conflicting interests or duties may arise because:

- (a) we may be dealing as principal in the investments that are the subject of a Transaction thereby making a profit (or loss) for our own account; or we may be providing Services to other persons with interests in or proposing to acquire such investments;
- (b) we may be a financial adviser or lending banker to the issuer of such investments;
- (c) we may be dealing as agent on your behalf with an Associated Person or other entity and receiving commission or other charges from both parties;
- (d) a Transaction may be in investments where the issuer is an Associated Person or in investments in which we have undertaken or underwritten an issue within a period of twelve months before the date of the Transaction;
- (e) a Transaction may be in investments in respect of which we are trading with another client;
- (f) a Transaction may be in investments in respect of which we may benefit from a commission, fee, mark-up or mark-down payable by a third person or the counterparty;
- (g) subject to Applicable Rules, we may have acted upon or used published third party investment research recommendations (or the research or analysis on which
- (h) they are based) before the recommendations have been published to our customers;
- (i) we may deal on your behalf with or through an Associated Person;
- (j) we may effect Transactions on your behalf involving placings and/or new issues with an Associated

Person who may be acting as principal or receiving commission; or

- (k) we may receive remuneration or other benefits by reason of acting in corporate finance or similar Transactions involving companies whose investments you hold.

You agree that we may provide the relevant service despite any such interest and that (subject to Applicable Rules) neither we are required to account to you for any income, gain, profit or other advantage arising from such interest.

19.4 We provide a variety of Services to our clients and may from time to time come into possession of confidential material and non-public information. You acknowledge and agree that such information, if disclosed, might affect your decision to buy, sell or hold an investment but that we shall not have any obligation to communicate such information to you or use it for your benefit.

19.5 We seek to take all appropriate steps to identify and to prevent or manage conflicts of interest from adversely affecting your interests, including as a last resort measure the disclosure of the general nature and/or sources of such conflict of interest. Where disclosure is permitted this shall be made to you in accordance with Applicable Rules. When we are not able to deal with a conflict of interest effectively we may in some circumstances be unable to provide you with the Service you require and we shall not be obliged to disclose the reason why or any further information relating thereto. Alternatively, in situations where we provide the relevant Service despite any such interest and we will not be required to account to you or your Underlying Client for any income, gain, profit or other advantage arising from such interest unless required to do so under Applicable Rules.

19.6 As your Underlying Clients are not (by virtue of these Terms and Transactions or Services hereunder) clients of Santander, and as you may not have disclosed to Santander such Underlying Clients' identities, Santander has no obligation to identify or manage any conflicts of interest in respect of such Underlying Clients.

20. MARGIN PAYMENTS

20.1 We may, by agreeing with you in writing, enter into Transactions with you which will, or may, result in you having to provide margin payments. That is to say, we may require you to provide a deposit of cash, securities and/or other asset as collateral for unrealised losses which have occurred or may occur in relation to a Transaction.

20.2 As well as initial margin payments being required to enter into a Transaction, margin payments may also be required on a periodic basis throughout the life of a Transaction if the value of that Transaction moves against you. A change in the market price of your investment will therefore affect the amount of the margin payments you will be required to make.

20.3 The terms and conditions governing such margin payments shall be set out in the Supplemental Terms.

Section 6: After we trade

21. REPORTING

- 21.1 In accordance with MiFID II, either party may be obliged to make information about certain Transactions concluded outside of a trading venue public. Where you are an Investment Firm and we transact in Financial Instruments outside the rules of a Trading Venue, the responsibility, where applicable, for trade reporting the Transaction shall fall on the relevant party designated under MiFID II. Where you are an Investment Firm we will not trade report such Transactions on your behalf unless we have agreed in writing to do so. Where you are not an Investment Firm we will trade report the Transaction in such Financial Instrument when required under Applicable Rules. In either case, the relevant Transaction information will be made public in accordance with MiFID II and both parties waive any duty of confidentiality attaching to the information required to be disclosed. If we are required to report the Transaction we may rely upon third parties to undertake this task.
- 21.2 We will also comply with our obligations to transaction report details of a Transaction entered into with you or on your behalf to the relevant Regulator in accordance with Applicable Rules. In accordance with Clause 14 we may require certain information to assist such reporting. Unless otherwise advised, you agree that where you do not confirm that an order is a short sale or otherwise in relation to a transaction whether or not you are selling short or through an exemption, we will report to the relevant Regulator that you have not disclosed this information to us.
- 21.3 We will send you reports and/or confirmations periodically (as required by Applicable Rules or more frequently as agreed) on the Service we provide to you and will include in those reports and/or confirmations, the Financial Instruments transacted with you and the costs associated with the Transactions and Services we undertake for you, including other information we are required to report to you pursuant to Applicable Rules. With respect to reports and/or confirmations relating to costs, these will be provided on an aggregated basis where permitted under Applicable Rules. However, you are entitled to request an itemised breakdown.
- 21.4 We will not transaction report, as defined in MiFID II, for you in respect of any Transactions.

22. CONFIRMATIONS

- 22.1 Upon or after the execution of a Transaction with you, we shall confirm the details of such Transaction to you in accordance with Applicable Rules including any terms we have agreed with you regarding the extent and nature of such confirmation. The confirmation we provide may be in

written hard copy or electronic format. Any confirmation we provide to you in electronic format shall have the same effect as if served on you in written hard copy.

- 22.2 The content of our confirmations will, in the absence of manifest error be deemed conclusive and binding unless you object to such confirmations by the earlier of: a) five business days of despatch, or b) any applicable mandatory compliance period for execution of confirmations that may be required by Applicable Rules.

23. SETTLEMENT MECHANICS

- 23.1 We shall be under no obligation to settle Transactions or account to you or your Underlying Client unless and until we (or our agents) have received all necessary documents and/or cleared funds from you. Delivery and/or payment of such documents and/or cleared funds is entirely at your risk.
- 23.2 Whether or not you are acting on behalf of another person in relation to orders which you send to us, you shall be bound by your acts under these Terms.
- 23.3 You shall be liable as principal for the due performance of every Transaction and for all Liabilities arising as a result of any Transaction and you agree to honour your settlement obligation whether or not:
- (a) you are acting as principal or as agent;
 - (b) any person honours its obligations to you to deliver in a timely manner securities and/or funds, or to remit in a timely manner interest, dividend payments or other distributions to you or to our order;
 - (c) the Transaction was authorised by your Underlying Client;
 - (d) it was within your or your Underlying Client's power to enter into the Transaction; or
 - (e) you or your Underlying Client wish to raise any challenge or raise defences of any nature.
- 23.4 Unless otherwise agreed, settlement of Transactions with or for you must be made in accordance with the usual terms for settlement taking into account Applicable Rules and/or market convention.
- 23.5 You agree to pay all amounts due in respect of any Transactions or otherwise which are payable by you under these Terms in full as they become due without regard to any right of equity, set-off or counterclaim and without any withholding or deduction of any kind, unless expressly required by Applicable Rules, in which case you will pay such additional amounts as will result in the net amount

receivable by us being equal to the amount which would have been received if such withholding or deduction had not occurred.

23.6 We agree to pay all amounts due in respect of any Transactions or otherwise which are payable by us under these Terms without any withholding or deduction of any kind, unless expressly required by Applicable Rules, in which case we will make such a withholding or deduction in the minimum amount required by such Applicable Rules. We may estimate and deduct any applicable taxes from payments due to you.

23.7 If, for any Transaction, we deliver Products or pay money to you, whether on behalf of your Underlying Clients or not, or to your order when you or as agent on behalf of your Underlying Clients you are obliged to pay money or deliver Products to us or to our order at that time or subsequently and, for whatever reason, your obligations are not performed simultaneously with, or prior to our obligations, you shall hold on trust for us any such Products or money received from us until your own obligations to us are fully performed.

23.8 If you (as agent of your Underlying Client) have not delivered the appropriate funds or Products to Santander on the due date for settlement, Santander reserves the right, as appropriate, to exercise a sell-out of the relevant Products (as described in Clause 26) or acquire alternative Products by whatever means Santander (on behalf of your applicable Underlying Client) determines in its absolute discretion. Where Santander does so, its obligation to deliver the securities to you or pay the purchase price due will cease. You (on behalf of your applicable Underlying Client) shall be responsible for any losses Santander incurs arising out of your (as agent of your Underlying Clients') non-performance or any actions Santander takes as a result thereof.

23.9 You will indemnify us and our employees and agents against any and all Liabilities, arising from your failure to meet your delivery obligations in relation to any Products or payment of funds to us when they are due.

23.10 We shall be entitled, without prior notice to you or your applicable Underlying Client, to make the currency conversions necessary or desirable for the purposes of fulfilling your trading obligations. Any such conversion shall normally be made by us, as principal, at a rate which reflects the size, liquidity and timing of the Transaction. We shall disclose to you the relevant rate on the contract note or confirmation but will be entitled to retain any profit Santander or any Affiliated Companies may derive from the Transaction. Any foreign exchange risk arising from any Transaction shall be borne by you or your applicable Underlying Client.

23.11 In order to effect Transactions for you (on behalf of your Underlying Clients), you (as agent of your Underlying Clients) confirm that we may (subject to an obligation to account to you (on behalf of your Underlying Clients)

for property of the same nature and description but not necessarily identical to the property originally delivered to us and subject to its other rights under these Terms) without prior notice to you or your applicable Underlying Client deposit, charge or pledge any collateral you may deliver to Santander to any exchange, clearing house, broker or other third party on Terms that such third party may enforce such deposit, charge or pledge in satisfaction of any obligations that Santander may incur to such third party or of any such obligations incurred by you, your Underlying Clients or by any other client.

23.12 You shall bear and be responsible for the payment of all taxes, stamp duties, levies, fees, custodial expenses and other similar expenses in respect of any Transactions executed by us on your behalf.

23.13 Any charges, payments and other money due to us (or to our agents) for which you are responsible plus any applicable VAT shall be paid by you as stated in the relevant contract note or settlement advice or may be deducted from any money held by us on your behalf or in an account with us. Estimated costs and charges for these amounts will be provided to you in accordance with Clauses 14.4 and 14.5.

23.14 All amounts (including without limitation all fees and charges) payable by you (on your own account or on behalf of your Underlying Clients, as applicable) to Santander shall be due on demand without set off, counterclaim or deduction.

23.15 If you default in paying any amount when it is due (on behalf of your Underlying Clients), Santander may require that you (on behalf of your applicable Underlying Client) pay Santander interest at a rate equal to the prevailing effective cost of funds to Santander from time to time in the relevant currency as determined by Santander as notified to you in writing.

24. OUR AUTHORITY TO DEBIT ACCOUNTS

You hereby authorise and instruct us to debit your account(s) that you hold with us in order to settle any Transaction that you have entered into with us and in respect of any amount due to us from you.

Section 7: If you do not meet your liabilities

25. SET-OFF AND LIEN

25.1 If at any time during the course of or following the termination of these Terms (as set out in Clause 6) any amount or other obligation (whether absolute or contingent and whether matured or unmatured) is owed by you (or, where applicable, your Underlying Client) to us under these Terms, we may set-off any such amount or obligation against, or retain or make deductions from, any amount or other obligation which we owe to you (or, where applicable, your Underlying Client) or are holding including in any of the following ways under these Terms:

- (a) in accordance with Applicable Rules;
- (b) by debiting any of your (or where applicable, your Underlying Clients') account(s) held by us and/or an Affiliated Company;
- (c) in any other manner which we deem appropriate and in accordance with Applicable Rules;
- (d) having the right at any time without notice to combine and/or consolidate all or any of your (or where applicable, your Underlying Clients') accounts held by any Affiliated Company, any nominee or trustee for an Affiliated Company, and/or us; and
- (e) where debits and credits are expressed in different currencies, and we would have had a right of retention or set-off if the sums concerned had been in the same currency, we shall be entitled at your expense to convert any sums owing into the currency of your debt to us for the purpose of affecting the said retention or set-off.

25.2 Where you (or, where applicable, your Underlying Clients) or we or an Affiliated Company are under an obligation to deliver securities, for the purposes of us exercising any termination, close out, netting or set-off rights under these Terms, any such obligations shall constitute an amount equal to the purchase price of the relevant securities in the market (as determined by us in our sole discretion).

25.3 We will not be obliged to exercise any power of sale under these Terms in place of exercising any right of set-off.

25.4 Where we exercise any right of set-off against a principal on whose behalf you are acting as agent, we shall only exercise such right of set-off against the property of the relevant principal.

25.5 In respect of an Underlying Client that is a trustee, corporation or other person or group of persons formed as a collective investment scheme having an 'umbrella' structure, we will only have recourse against those assets

attributable to the relevant sub-fund of the umbrella in respect of which you have effected a Transaction under these Terms.

25.6 Without prejudice and in addition to any general lien, right of set-off or other similar right which Santander or its Affiliated Companies may be entitled to exercise whether by law or otherwise over any of your Underlying Clients' investments, securities or other property, your Underlying Clients' investments, securities or other property held by Santander or any Affiliated Company of Santander shall be subject to a general lien in Santander's favour in respect of any outstanding amounts due and payable from you to Santander or its Affiliates. In addition, Santander shall have the right at any time without notice to combine and/or consolidate all or any of your Underlying Clients' accounts or the accounts of any Affiliated Company you maintain with Santander or any Affiliated Company of Santander in such manner as Santander may determine, subject to Applicable Rules.

26. OUR ABILITY TO CLOSE-OUT YOUR INVESTMENTS

26.1 You agree that your rights in relation to investments which we hold or are entitled to receive on your behalf (Deposited Investments) are solely those rights that are created under these Terms.

26.2 If any sum may at any time be or become due from you to us which is unpaid, including any interest and any reasonable costs and charges paid or incurred in perfecting or enforcing our rights under this Clause 26 or otherwise, or you fail to meet your Liabilities to us under these Terms as and when they fall due (the Secured Obligations), then:

- (a) neither you nor your Underlying Client shall have a right to instruct us to deliver Deposited Investments (or any part of them) to you or any other person;
- (b) we shall be entitled to withhold delivery of Deposited Investments (or any part of them);
- (c) we may, without prior notice,
 - (i) sell, appropriate or otherwise realise the value of Deposited Investments (or any part of them) at such price and in such manner as we may in our absolute discretion decide without being responsible for any loss or diminution in price and apply any proceeds of such sale in or towards:
 - (x) discharge of the costs of such sale; and
 - (y) discharge of any or all of your obligations to us,

- (ii) close out, replace, terminate or reverse any outstanding Transaction, enter into any other Transaction or take, or refrain from taking, such other action at such time or times and in such manner as we in our absolute discretion consider necessary or appropriate to cover, reduce or eliminate our Liabilities under or in respect of any Transaction, position or commitments undertaken for you (as agent for any Underlying Clients); and/or
- (iii) if any outstanding Transactions are non-cash settled Transactions, determine the market value of those Transactions as we in our absolute discretion think fit and attribute to those Transactions a cash settlement amount to be due and payable; and/or
- (iv) take any other steps (whether or not similar to the above) we may consider to be necessary to meet any obligations which you (as agent for your Underlying Clients) have to comply with under these Terms or otherwise to protect our position.

We may in our absolute discretion decide to omit to act in accordance with this Clause 26.2 without affecting our and your rights and obligations in relation to Deposited Investments.

- 26.3 Any restrictions on Santander power to sell or otherwise deal with assets of your Underlying Clients charged to us or held by us, contained in the Law of Property Act 1925 or any other applicable law are, to the extent permitted by law, excluded.
- 26.4 We may invoice you (on behalf of your applicable Underlying Clients) for, or deduct from your account, as and where applicable, any cost of (or losses incurred in) effecting the actions contemplated in Clause 26.2 or in effecting any related Transactions.
- 26.5 The rights and powers in relation to Deposited Investments which are set out in Clause 26.2 are reserved by us and (to the extent the rights and powers in relation to Deposited Investments or any part of them which are set out in Clause 26.2 are not effectively reserved by us) grant to us such rights and powers.
- 26.6 In addition, and without prejudice to our reservation of rights and powers pursuant to Clause 26.3, you hereby grant to us a first fixed charge with full title guarantee as a continuing security for the payment of the Secured Obligations your rights, title and interest in and in relation to Deposited Investments. Santander shall have, to the greatest extent permitted by law, all of the rights of a secured party with respect to any money or other assets charged to Santander and you will, at Santander's request take such action as Santander may require to perfect or enforce any security interest and irrevocably appoint Santander as your Underlying Clients' attorney to take any such action on your Underlying Clients' behalf.
- 26.7 We are under no obligation to comply with your request

to close out a Transaction which has been entered into between us. Where we agree to do this, we will calculate the close out value of the Transaction based on prevailing market conditions and may include associated costs (including funding costs) arising from the close out in this figure. The close out value may be due from you to us or from us to you depending on the trade and may be substantial.

- 26.8 In the event of any dispute regarding any Transaction, we may in our absolute discretion cancel, terminate, reverse or close out the whole or part of any position resulting from and/or relating to such Transaction.
- 26.9 The provisions in this Clause 26 are without prejudice to the provisions of Clause 25 and, for the avoidance of doubt, apply notwithstanding the provisions of Clause 25.
- 26.10 The provisions of this Clause 26 shall survive the termination of these Terms or any agreement you (or your Underlying Clients) have with Santander for any reason.

27. DEFAULT REMEDIES

- 27.1 Each of the following constitutes an Event of Default by you under these Terms:
 - (a) you fail to make any payment due to us or any Affiliated Companies or to deliver any securities due to us or any Affiliated Companies (or to our agents); or
 - (b) you fail to perform any other obligation owed to us or any Affiliated Companies under these Terms; or
 - (c) any representation or warranty you make to us or any Affiliated Companies proves false or misleading either under this Agreement or under any other agreement between you and us or any Affiliated Companies; or
 - (d) you become unable to pay your debts as they fall due or become insolvent or bankrupt or become the subject of any insolvency, bankruptcy or administration proceedings; or
 - (e) a winding-up resolution is passed or a winding-up or administration order is made in respect of you or a receiver, liquidator, administrator or a similar official is appointed in respect of you or any of your property.
- 27.2 If an Event of Default occurs, we shall be entitled, without prior notice to you, to take any or all of the following actions:
 - (a) to treat any or all outstanding Transactions between you and us or any Affiliated Companies as having been immediately cancelled and terminated; and/or
 - (b) to automatically accelerate all of your obligations under this Agreement so as to require payment, delivery or other performance by you at the time notified to you by us; and/or
 - (c) to exercise the powers granted to us under Clauses 25, 26 and 27.

- 27.3 Where you believe it is reasonably likely that within 3 months:
- (a) any specific Underlying Client will default on any of its obligations owed to you (howsoever arising) such that, as a consequence, you will not be able to perform any other obligation on behalf of any specific Underlying Client owed to us or any of our Affiliated Companies under these Terms without incurring a loss that you would not be able promptly to recover from such Underlying Client; or
 - (b) any representation or warranty you make whether on your own behalf or on behalf of an Underlying Client to us or any of our Affiliated Companies about such specific Underlying Client will prove false or misleading under these Terms; or

This means that in the event of our failure, the client money distribution rules will not apply to these sums and you will not be entitled to share in any distribution under the client money distribution rules.

Before doing this we will write to you at your last known address to return the balance to you (on your own behalf or on behalf of your applicable Underlying Clients as the case may be) and we undertake to make good any valid claims against any monies released.
